Items Discussed:

1. Mile Walk (Next School Year)

Next year we will implement the Mile Walk activity. This activity should be completed on days your class does not have an enhancement. Teachers will lead the activity which will consist of 1 mile. Kindergarten will follow a different schedule and Mrs. Sigmon will help determine those days.

2. Discipline Plan/Guidelines

SIT members will use the April and May meetings to tweak and finalize the BES discipline guidelines for the 2018/2019 school year.

3. Enhancements - Discipline/Reminders

A uniform behavior slip will be used by all enhancement teachers. The forms will be placed in teacher boxes by the end of the day in order to be sent home or the enhancement teacher

will send for agendas in order to send home the form for a parent signature. The form is to be returned to school and given back to the enhancement teacher. Parents will be called if the forms are not returned. Hopefully this will help with any behavior issues during enhancement classes.

Teachers, please be mindful of student drop off and pick up times. When you arrive to pick up students, please open the door and acknowledge that you are ready for pick up.

Please pass along suggestions and ideas to Mrs. Sigmon or Sherry Hubbard.

Respectfully submitted by: Sherry Hubbard, SIT Chair
