

SIT met on 9/24/18

Members present: Christine Barringer, Donna Rymer, Emily Hinson, Lisa Sigmon, Michael Mobley, Jennifer Roberson, Whitney Lannon, Amanda Chavis, Wendy DiStefano, Libby Graham

The School Board has not approved the removal of the SIT team, yet. **We need to come up with a name for our existing committee in the event that the “School Improvement Team” is dissolved.** The team would meet quarterly, or as needed (once we get the green light). Brainstorm ideas with your grade level.

Clubs~ The Club Survey for Students is ready to be sent out. There is a QR code available so students can easily get to the survey. Teachers and students can go over it together. Teachers will need to go over the choices available for their specific grade level **prior** to time to sign up. As the clubs fill up, they will not be available for students to choose. Go ahead and discuss the club choices with your students. The day and time for the students to sign up is TBD.

Screen Time~ All grade levels shared their average amount of daily screen times. At this time, grade levels reported no more than 2 hours of screen time a day in increments of up to 30 minutes for stations, research, etc.
