Re: Pregnancy of _____

Bus Number: _____

The person named above is employed by the Rowan-Salisbury School System as a school bus driver at _____ School. As a driver she may be required to operate a vehicle weighing 26,000 pounds with automatic transmission and power steering. A pregnant driver is required to provide a statement from a physician, on a monthly basis after the fifth month, certifying that her physical condition will present no danger to the bus passengers, the driver or to the unborn fetus.

Your careful consideration of the above will be appreciated.
