

SIT Minutes: March 26, 2018

Members Present: J. Baker, A. Lingle-Linder, C. Young, C. Graff, J. Caulder, A. Stallings, J. Sloop, T. Ritchie, W. Myers, A. Weaver, C. Grandt

- Read-a-thon: Students' store items will be distributed to teachers this week to go home on Wednesday.
 - There were minimal complaints about the whole process. One or two parents preferred to send cash instead of using a card online.
 - Our school raised about \$5,000. We will split the monies between purchasing books for all students and a fund for playground equipment.
- Safety update:
 - Doors will not be keyed open in the mornings. There will be a couple propped open, but they will remain locked.
 - Remind grade level members not to prop doors open during the day.
 - The school board will be discussing SRO's at the elementary level.
 - First grade teachers have magnets over the strike plates of their doors so that they can keep them locked at all times. The district would rather everyone be consistent. Grade levels should not go out and purchase anything.
- Teacher contracts:
 - The school board has a new policy regarding the way teacher contracts are renewed. They are extending one, two, and 4 year contracts.
 - This is only applicable to those staff members who are not currently on a 5-year renewal "career status" contract.
 - This is separate from your state license.
