

SIT Minutes: October 23, 2017

- In the afternoons we can have 1 representative from k-1, 2-3, and 4-5 to help enhancement teachers with car riders in the lobby area.
- Mr. Baker is looking at adding more seating options in the cafeteria. This will allow more room for student rewards (sit with a friend, etc.).
- Cafeteria tables are often left wet from students using an overly wet rag. Admin will speak with cafeteria staff about this matter, possibly having rags ready and available.
- Noise level on the red hall (1st/4th) is too loud. Many grade levels use this hall to go out to recess. Students are disturbing classes on this hall on the way outside. 3rd grade has a hall behavior system in place and will share it with the rest of the school in hopes of solving this problem.
- Jeans are not to be worn on special/spirit days unless Mr. Baker has approved it. Jeans are only to be worn on Fridays with Millbridge shirts.
