Committee Reports-

Staff and Community- Will reschedule Staff Night Out. On March 28th we will be doing a Order Out to Honey Baked Hams.

PBIS- College Pictures will be stuffed in frames at the next PBIS meeting. PD on March 6th to go over PBIS expectations.

Curriculum and Instruction- March 15th Bingo for Books. The last family night will be the summer send off. Curriculum committee will meet to work on plans for this event. The end of year meeting for PTA will be during this event. Read Across America week is Feb 26-March 2. We will send information out on the spirit week. Door decorating contest- 1 winner from k-2 and 3-5 will get a 25\$ gift certificate to the bookfair.

Concerns to discuss:

Our Grade Level needs time to meet as a team to discuss grade level topics and requirements (such as letters to parents, field trips, incentives, plans). Due to the change in schedule this year we never have time to meet as a team . The only day all three of us have planning is Thursday. However, Thursdays are used for MTSS meetings. We are having lots of meetings - weekly Tuesday after school meetings, MTSS meetings, monthly PD meetings, PLC meetings. I think the lack of and ultimately no Workdays is also adding to this stress. [Could SIT please discuss and look at how to lessen the amount of meetings and ultimately allowing grade levels the chance to meet together to discuss grade level priorities during the week.](#)

Comments:

- Time for MTSS is well planned, like the extra support.
- Feel like we need time to work on plans.
- Agendas to keep everyone on focus
- Questions about having PD in PLC

Grade levels have the option to bring an agenda to help stay focused. Agendas need to be instructional focused. Please send agendas to everyone in PLC.

The team met again to discuss a solution of having students stay in cafeteria for breakfast once a week per grade level to give teachers 30 minutes a week. Mr. D will send out a schedule of what days/how this will look.

Some grade levels need new headphones

-Mr. Raiti will look at headphones in the media center to see if they are available.

Updates on requesting a new start time for our school day

Will discuss at the next meeting.

New Calendar (Why is there a early release in the middle week?)

Will discuss at a different time.

Mr. D

Professional Development
