### **Committee Reports**

PBIS-

Finalizing videos and getting them together.

Starting Morgan Essentials again.

There is a possibility of doing a prize more often or having something very big if we save all the tickets.

Curriculum-

Our next family night is Feb 1st. Mrs. Eller sent out a link to a spreadsheet to fill out for student names of presenters.

A reward for K-2 (Smarty Ants). Bracelets?

Staff and Community-

We have tentatively changed the date for the staff party to Dec 19th. Please fill out the survey for the staff party. Mrs. Newman sent a reminder and Mrs. Buckner will send out the survey again. Please remind your teams that staff snacks will be Dec 18th and 19th. Mrs. Newman will send out an email about what date for snacks and the decision about the staff party.

Feb 2nd- Super Bowl Crock Off

**New Items to Discuss:**

What is the school's expectation for checking out library books? - Some students do not want to check out books. They are coming back to class without books. Mrs. Newman would like her students to check out a library book on their level.

If students are not checking out books they need to have something to read on their level.  
(interest level vs reading level)

**Clothes Closet Mr. D-**

The clothes closet is in poor condition. We need to set guidelines for student usage.

Possibly have student council reps help organize the closet.

Labels for the bins to help

Students should not be in the closet by themselves. If a student needs something please call the office and someone will help them.

Teachers having some of the clothes in their rooms-

Students who take the clothes can keep them.

We have money in the Morgan Ready Rally that we would like to purchase clothes.

Monday afternoon we will have a cleaning/organizing day after school.

Clothes donated will go to the PTA Consignment account. Mrs. Cooper and Mrs. Sprinkle will help communicate to parents that donated items can go to the Consignment account.

Mr. Mac has collected supplies from the floors in classrooms. He wants us to be aware that a lot of supplies are on the floor. Ask students to take a look at the floor before leaving the room.

**Announcements/Things to Remember:**

Feb 2nd- Super Bowl Crock Off
