### **Items Discussed:**

#### **1. Lost and Found Items**

**Please be cautious when allowing students to take from the lost and found, even if just for the day. 1st) There is concern about cleanliness. 2nd) If it is not returned then the rightful owner will be without. Teachers please think about this before sending students on a cold day to "borrow" from the Lost and Found bucket.**

#### **2. Walkers and Car Riders**

**Since the weather has warmed a little, there has been a problem with people parking and retrieving students as walkers instead of staying in the car rider line. This causes problems for parents needing to park for meetings, volunteering, etc. SIT's plan to address this matter is as follows: 1) A sign will be placed outside informing parents to stay in the car rider line; 2) \*If needed, a personal phone call or Connect-Ed will be made; 3)\*If needed, walkers will be moved to the front of the school for dismissal.**

**It has been requested that teachers have a list of our regular walkers.**

**Hopefully these steps will resolve the issue.**

**3. Shower Guidelines**

**There has been a request to set Staff Shower Guidelines for next year. Due to yearly baby, bridal, and retirement events we would like for the Social Committee to set some guidelines in order to have consistency.**

**4. Report Card Input**

**Kindergarten teachers would like to give input to the county about online report cards for K-2. If you would like to give any input, please see a Kindergarten teacher.**

**Please discuss the above items within grade level.**

**Respectfully submitted by: Sherry Hubbard, SIT Chair**
