

SIT Minutes
May 20, 2019

Members present: Amanda Chavis, Christine Barringer, Tracy Morrison, Emily Hinson, Whitney Lannon, Libby Graham, Lisa Simon, Wendy DiStefano, Donna Rymer, Jennifer Roberson

Enhancement Schedule: Concerns were shared about 2nd grade starting the day with planning every day. Second grade proposed a schedule that will only shift enhancement times for five minutes in grades K-1. Third, fourth and fifth enhancements will stay the same. K-1 approved the minor changes to their schedule in the mornings. These changes will start next year.

Approved changes:

9:00-9:40 Kindergarten Enhancement

9:45-10:25 Second Grade Enhancement

10:30-11:10 First Grade Enhancement

* This will give Enhancement teachers planning from 7:00 to 9:00. Please note enhancement teachers do not have planning at their other schools, and they have 6 grade levels worth of lessons to plan.

Recess on PE Days- SIT approved "Walk and Talk"- Students can run or walk on the track during recess on PE Days. This activity must be monitored by the teacher, not an assistant. There would be no rainy day option, however, you could use Go Noodle in your classroom.

Matching Funds idea for next year: SIT discussed the possibility of having a commercial grade projector installed in the gym. It would be surrounded by a cage. It could be used for assemblies, pep rallies, awards ceremonies, Go Noodle style activities during rainy day gym, etc. Mrs. Sigmon will check on the cost to see if this idea fits the budget.

Emily Hinson and Amanda Chavis will rotate off of the SIT Committee for next year. Hannah Clark was elected as the 2019 - 2021 first grade representative and Ann Goodnight was elected for the 2019 - 2021 second grade rep.
