

**Millbridge Elementary
School-Parent Agreement
2022-2023**

At Millbridge Elementary we believe learning takes place best when teachers and parents work together to promote and provide the best education possible, at school and at home. We believe the child also needs to take responsibility for his/her own education. This compact is a promise by each stakeholder to be committed to the learning process in order to achieve the child's full potential.

As a teacher I pledge to:

- Provide a motivating, interesting, and safe learning experience in my classroom
- Communicate with parents about student achievement through progress reports and conferences
- Use a variety of teaching techniques and curriculum materials that will work best for individual students
- Collaborate with other educators to provide the appropriate support for each student
